TRANSFORMATION

Broward's Plan for Change

VISION

"Transform transportation in Broward County to achieve optimum mobility with emphasis on mass transit while promoting economic vitality, protecting the environment, and enhancing quality of life."

MISSION

"The Broward County 2035 Long Range Transportation Plan (LRTP) promotes the safe, secure, and efficient movement of people and goods by providing balanced transportation choices that support superior mobility through improvements in all modes with a focus on mass transit and transit-supportive land use in key corridors and mobility hubs."

REPORT GUIDE

Chapter 1-Process	1
This section of the LRTP discusses public outreach efforts, the plan framework (Vision, Mission, and Goals) and describes the overall LRTP development process.	
Chapter 2-Challenges & Opportunities	11
This section of the LRTP presents growth statistics, travel patterns (existing and future), survey results, and issue based needs.	
Chapter 3-Innovation	25
This section introduces the Mobility Hubs concept and Premium Transit Services, which provide the basis of the LRTP.	
Chapter 4-Vision	31
This section discusses the Needs Plan, Financial Analysis, and the prioritization of projects by modal category for consideration in the Cost Feasible Plan.	
Chapter 5-Strategy	47
This section illustrates the Cost Feasible Plan (including Plan Performance, Phasing and Implementation), Strategic Intermodal Systems, Congestion Management, Travel Demand Management, Hurricane Evacuation, Illustrative Projects, Unfunded Projects, and Policies.	
Chapter 6-Context	101
This section presents environmental considerations and planning processes, environmental justice issues, safety and security, innovative funding options, regional planning efforts, LRTP amendment and updates (Living the LRTP), and Livability Planning Initiatives.	
Appendix	135
This section contains Cost Feasible projects for Premium Transit, Transit, Mobility Hubs, Greenways, Pedestrian, Bicycle, Roadway, ITS, and Freight/Seaport/Airport categories, as well as Illustrative, Unfunded, Completed, and Committed projects. The Florida Department of Transportation Revenue Forecast is also included.
