

Davie operates two shuttles with BCT; 2 green buses and 1 blue bus; adding two buses to the system; 80,000 riders per year; free; wave stop; under the CRA

Issues with Turnpike Griffin Road exit; does not work well; backs up; few cars through light; ramp is a mess

Heard that there are issues with Stirling Road and Griffin Road; congestion and safety concerns; City engineer might want multimodal along Griffin Road

Stirling Road has congestion issues; can we alleviate this issue? Not a lot of bikes on Stirling Road; there is a bus and bus pullouts

Sheridan intersection; heavy transit ridership; Seminole reservation is there; two strip malls to south of Sheridan; opportunities for development; upgrading mast arms there

Johnson St: Very active local corridor on with business associates; would like complete street option there; look at intersection with SR 7; may have been identified in Hollywood study  
 Safety at SR 7/Johnson Street intersection is an issue; lighting  
 o New signal will go in with widening so you will get some reduction  
 o Will it qualify for green pavement?

2 public schools and low-income/senior housing to west of SR 7 on Johnson Street

Want mobility funding at SR 7 and Hollywood Blvd

Pembroke Road: Continue bike lanes that MPO started to US 441

Miramar: No real redevelopment opportunities in this area  
 Whole thing is transit-oriented corridor  
 No big trip generator along this portion of the corridor  
 o Need bus shelters as well on SR 7  
 o Serious safety and crime issues along SR 7;  
 o Concerned about lighting in this neighborhood; along the roadway it was just redone with widening

62nd Ave to US 441 - consider sidewalk access; low-income folks who need transit access

Dania Beach: Not a lot of property along SR 7 itself  
 Missing area on map may be Tribe's land
